

## **Important Pet Food Bank Notice**

The Willamette Humane Society pet food bank was started to help community members keep their pets in their homes who were having difficulty affording pet food. The food distributed was provided to Willamette Humane Society through donations. Unfortunately, the demand for food exceeds the donations received and we must discontinue this program.

**January 6<sup>th</sup>, 2012 will be the last food bank**  
that this shelter will offer.

We apologize for the inconvenience. Please see back for additional resources available.

Thanks to grant funding from the Margaret A. Cargill Foundation, we are **currently offering \$20 spay surgeries for female cats and \$10 neuter surgeries for male cats owned by community members who currently receive some form of public assistance** (such as food stamps, unemployment compensation, disability income, etc). If you are eligible for this special rate, call our clinic at (503) 480-7729. You will be asked to show proof of eligibility.

### Guidelines for Surrendering Your Pet to WHS

1. Call us at (503) 585-5900, ext. 300 to schedule an appointment. **Appointments are required.** If you do not reach a staff member right away, leave a detailed message and we will return your call within 1 business day. (Shelter business days are Thursday through Sunday. We are closed Tuesday & Wednesday). We will gather some basic information about your pet, discuss options, and explain the intake process so that you know what to expect before you arrive at the shelter.
2. Complete the appropriate questionnaire about your pet(s) and bring it with you to your appointment. Please take some time to thoughtfully complete the questionnaire. Your complete answers will assist us in placing your pet in a new environment.
3. Bring all vet records with you to your appointment.
4. Pay the mandatory receiving fee. This fee helps offset the costs of the animal's care. Fees:
  - \$20 per cat
  - \$30 per dog
  - \$40 for a litter of puppies or kittens
  - \$25 for a feral cat
