

# Sponsorship Opportunities

## Animal Housing Sponsorship

Sponsoring one of our companion animal housing units is a great way to show your support for Willamette Humane Society. Not only are you helping shelter an animal, but housing sponsorships assist in offsetting the daily care for the companion pets that reside there throughout the year. Housing sponsorships are for twelve months, may begin at any time of the year and include a plaque with your name (or name of a business or loved one that you designate) that will be displayed at the shelter and seen by thousands of people that visit WHS each year.

## Education Hall Sponsorship—\$1,000 (limited to one)

Sponsor the WHS Education Hall and get your name in front of numerous groups visiting the humane society education hall. Not only is this center used to host hundreds of school programs and specialized youth education programs, but it is also WHS's public space for meetings, gathering, volunteer orientations and adult education programs. The Education Hall Sponsorship is for twelve months, may begin at anytime of the year and includes a plaque with your name (or name of a business or loved one that you designate).
