2010-2011 Annual Report Inside This Issue!

Executive Director's Message

WHS Executive Director
Joan Towers

Increased Stability

Throughout our 46 year history, Willamette Humane has faced many challenges, endured economic adversity, and been forced to make many difficult choices. Last year, we worked diligently to improve operations and our financial position in order to sustain our services for another 46 years and beyond.

Thanks to our generous donors, hard working staff and compassionate community, we made many strides toward a sustainable future. We developed and implemented many creative “behind-the-scene” efficiencies, enhanced customer value and streamlined animal services and programs. For a summary of last year’s accomplishments, see our Annual

Report beginning on page 11. Our many sacrifices have paid off and we ended the year on a positive financial note for the first time in many years! (See our Financials on page 14)

Continued Efforts

Willamette Humane remains committed to serve: to assist a household that is struggling, to teach youth about pet safety and responsible pet care, to provide positive canine behavior training, or to help ease the anguish of saying goodbye to a beloved friend.

From small incremental improvements to breakthrough achievements, we’ll build on our legacy of community service. Our annual plan focuses on key areas, including:

- A. Healthy shelter facilities for pets, staff, visitors
- B. Sufficient talented employees
- C. Increased adoptions each year
- D. Sufficient resources to effectively achieve our mission

Follow our progress in future issues of *Brief Paws*, on our website (willamettehumane.org), Facebook or Twitter. You can also share in our experiences and learn more about shelter life by subscribing to our new blog (lifeatwhs.wordpress.com).

Call me at 503-585-5900, x323, for a copy of our annual plan or if you’re interested in a personal visit to discuss Willamette Humane’s future.

Joan Towers, Executive Director

Strengthening the *bond* between **Pets+People**

Willamette Humane Society (WHS) has served the community since 1965 and is an independent, private nonprofit that relies entirely on donor support and fees for service to promote the welfare of animals through leadership, education and action. Tax ID#93-0577975.

Brief Paws is published quarterly by Willamette Humane Society. Moving? Send us your change of address or email it to: development@willamettehumane.org

The Independent Charities Seal of Excellence is awarded to the members of Independent Charities of America and Local Independent Charities of America that have, upon rigorous independent review, been able to certify, document, and demonstrate on an annual basis that they meet the highest standards of public accountability, program effectiveness, and cost effectiveness.

Why We Love Linda

For her dedication to helping shelter dogs improve their manners and skills, longtime volunteer Linda Crosby has been selected to receive this quarter's Volunteer Spotlight Award. Linda started volunteering for Willamette Humane in 2001 as a dog walker. When the shelter started the Canine Coach program, Linda began working one-on-one with dogs that needed additional training and socialization. Linda says that's when she really fell in love with volunteering because she found it rewarding to see the dogs learn and grow.

Linda says she has learned more from the dogs than they could ever learn from her, but staff and volunteers at WHS respectfully disagree! As one nomination states, "Linda is amazing. She devotes many hours each week to helping the animals and has a true gift for working with dogs. What she does truly saves lives!"

Thanks to Linda, dozens of shelter dogs have improved their manners and found new forever homes, including Rocky, a Retriever mix that Linda worked with for many weeks (see what Rocky's new family has to say about him in the Happy Tails section on page 6). Congrats, Linda, and thank you for your steadfast commitment to the animals at Willamette Humane.

24PetWatch Announces Changes to Microchip Registry Service

At WHS, every adoptable pet is implanted with a microchip prior to adoption. Microchips help reunite missing pets with their owners because each chip has a unique identification number that links the pet to the owner's contact information. Willamette Humane's microchip vendor, 24PetWatch announced that beginning January 1, 2012, all owners of pets registered with 24PetWatch after January 1, 2011, will be asked to pay either an Annual Membership fee or a Lifetime Membership fee for the ongoing maintenance of the database and monitoring services the company provides. Pet owners who registered prior to January 1, 2011 will be grandfathered, meaning that they will only be asked to pay a fee should they need to update their information.

Under 24PetWatch's current pricing structure, pet owners who choose to purchase an Annual Membership for \$19.95 will receive unlimited updates to their contact information in the 24PetWatch database for one year. Those who purchase a Lifetime Membership for \$49.95 will receive unlimited updates to their information for the lifetime of their pet. If you have questions about the changes or the services provided by 24PetWatch, call the company at 1-866-597-2424.

Buy a Tree; Help a Pet

Enjoy the tradition of picking out your holiday tree and help the animals at Willamette Humane Society at the same time. Purchase your tree from 4GEN Farm and owner Mark Heenan will donate 25% of the sale when you

designate WHS as your charity of choice. 4GEN Farm is located at 9093 Jackson Hill Rd SE in Salem. The farm is open to the public from 1 p.m. to 5 p.m. on Fridays and from 9 a.m. to 5 p.m. on Saturday and Sunday.

Petcetera

Lunaria Gallery Hosts Christmas for Homeless Pets

Lunaria Gallery and Wilco Farm Stores have partnered to host a special art show fundraiser and giving tree to help the pets at Willamette Humane. Artwork by participating artists is currently on display at the Silverton-based

gallery and will be sold to the highest bidders as of 6 p.m. on December 16. Area residents are also invited to drop by the Gallery through the end of December with a small donation and a photo of their pet to hang on Bobbie's Giving Tree in honor of Silverton mascot "Bobbie the Wonder Dog." The entire purchase price from the artwork and any contributions made to the giving tree will be donated to WHS.

WHS Helps California Dogs Find New Homes

Since mid September, Willamette Humane has transferred in more than 30 adoptable dogs from overcrowded California shelters, giving them a new leash on life and the opportunity to find a loving new home. "We

will answer the call for help from other shelters when ours has space available," says Jamie Fitzpatrick, WHS Operations Director. Many dogs, including Shamus (pictured here with Jamie) have traveled more than 600 miles to find new homes in the Salem area.

\$20 Spay & \$10 Neuter Surgeries Available for Cats Owned by Low-Income Residents

Thanks to a generous grant from the Margaret A. Cargill Foundation, Willamette Humane Society will provide 600 subsidized spay or neuter surgeries for cats owned by community members who receive federal or state income assistance. Eligible families can have a female cat spayed for \$20 or a male cat neutered for \$10 in Willamette Humane's Spay & Neuter Clinic.

Clinic staff hope to complete the 600 subsidized surgeries by April 30, before the onslaught of "Kitten Season" which usually starts in mid May and continues through October. During Kitten Season, Willamette Humane can receive as many as 300 cats each week, including dozens of stray litters. Since opening its low-cost, high quality spay & neuter clinic in January 2010, Willamette Humane has altered more than 9,000 animals in an effort to fight pet overpopulation and reduce the number of pets that enter the shelter each year.

Families or individuals who receive some form of government assistance are eligible for the special subsidized surgery rate. Anyone interested should call the WHS Spay & Neuter Clinic at (503) 480-7729.

Bowser's Boo Bash Raises \$114,000 for the Animals

On Saturday, October 29, the Salem Conference Center was transformed into a magical, Halloween-inspired haven as more than 400 supporters turned out for Bowser's Boo Bash, our annual dinner and auction presented by Capitol Toyota. The decorations were spectacular, the costumes creative and the atmosphere lively as party-goers enjoyed bidding on everything from handcrafted jewelry and pet portraits to lavish gift baskets and vacation packages. Bowser's supporters are always generous and this year was no exception. Thanks to our sponsors, the businesses and individuals that donated auction items, volunteers and attendees, this year's event raised \$114,600. After expenses, more than \$80,000 will fund animal services this year. All proceeds from Bowser's will be used to provide customized care for thousands of homeless pets.

Happy Tails

Send us your Happy Tails! If you adopted an animal from WHS and would like to share your story, email it to: info@willamettehumane.org. Be sure to include a digital photo!

Rocky

I promised everyone at the shelter that I would update you about Rocky. When we got home, he was pretty freaked out. He covered in the corner of the house not quite sure what to make of it all. The first night he slept in the corner behind the rocking chair. By the end of the second day, he assumed a position by the couch right under the kids' feet. And there he stayed for most of day 2 and 3. Day 4 brought a big change as we finally were able to lead

him around the backyard and slowly build his trust in us. He has taken to the children quite well and has even assumed a protective role over them. Day 5 was the breakthrough day! We spent most of the morning working with him and now he comes to us with his tail wagging. He obeys really well and loves to play with us. As I knew when we first met him, he was a diamond in the rough. And he is going to be an amazing member of our family. We all love him bunches and in a few more weeks, I think the cowardly lion that was Rocky will bloom into the family friend he is meant to be. Thank you for your time, and I appreciate you getting this message to the staff and volunteers who cared for him for so long.
—The Funrue Family

My fiancée and I were going through the shelter just looking at the animals. He adopted his dog from a shelter a few years ago and I adopted mine from your shelter 10 years ago. On our recent visit “just to look” I fell in love with a cat called Petri and decided to add him to the family. My only concern was how he would get along with the dogs. That concern was quickly put to rest when he met the dogs and they all got along right off the bat. Petri is now named Ares after the powerful Greek god, and he lives up to his new name by ruling over his new home. Thank you from the bottom of our hearts.
—Jennie

Ares

Lance

In September, we lost our beloved Pepper. Our home quickly became too quiet. In October, my husband visited your shelter and adopted a puppy named Duffy. We brought him home and he is now Lance (short for Sir Lancelot). He is a wonderful boy. He has fit in great with our lifestyle and gets compliments everywhere we go. Thank you so much for helping us find our new family member. We are absolutely in love with our new boy!
—Mike & Kathi

Mickey

Mickey has taken to the whole family and we could not be happier. Our boys LOVE having a doggy. They all want to walk him, but since he is so strong, we said not just yet. Mickey has been very gentle with the boys and is so kind when we give him a treat - nothing but tongue and slobber when he gets his snacks. We all rub his ears and his fat little chin and he gives kisses. He follows us around the house and is a little scared of the dog in the reflective window in the doggy door! So we still just take him out since he won't use his door yet. But he has had NO ACCIDENTS in the house. YAY! When we show him pictures of himself with us on our phones, he licks our phones. He knows who he is and who his people are. I just want to thank you for all the work you did to get Mickey home with us! He is perfect. Tim and I couldn't love him more than if he was our own kid! He is the perfect addition to the family. We are so very grateful that you guys took such good care of him and helped us find our missing piece.
—Wendy & Tim 🐾

Service Directory

A Service Directory of Local Animal-Related Businesses

Carpet Cleaning

The Carpet Drycleaning Co – CDC
(503) 399-2803 • www.thecarpetdrycleaningco.com
Specializing in PET and CHILD “assaults” on carpets, rugs and upholstery since 1990. We are the GREEN MACHINE that does it all: drycleaning, stain removal and deodorizing. Call us for immediate relief with healthy and safe results for the culprits and the family! Free estimates.

Dog Training

WHS Behavior & Training Program
4246 Turner Rd SE • (503) 585-5900 x326
www.WillametteHumane.org/behavior
At Willamette Humane, we use positive, rewards-based training methods to help owners build healthy relationships with their dogs. From basic obedience courses to agility and trick training, we offer a variety of classes and seminars year round. All classes are taught by a Certified Pet Dog Trainer, and class sizes are kept small to ensure personalized attention.

Estate Planning for Pets

Law Office of Eden Rose Brown
Salem, Bend, Portland • (503) 581-1800
Providing peace of mind through compassionate, comprehensive estate planning strategies for you and your pets. A national leader in pet planning counsel and design, we help you prepare for your pet’s future without you. *“It’s Not About What You Own, It’s About What You Value.”*

Pet Massage

Peaceful Paws Dog Massage • (503) 581-3375
www.peacefulpawsdogmassage.com
kihoalul@gmail.com
Is your dog limping or having trouble getting around? Massage can help by increasing flexibility, range of motion, and comfort in dogs with joint pain. Also, massage can help your dog rehab from injury or surgery. And it can help your dog relax. I consult with your vet to provide the best possible care for your dog.

Our shelter proudly feeds and recommends Science Diet brand pet food.

Service are available to everyone, regardless of income or geography.

If you're interested in advertising in *Brief Paws* or on our website, email info@willamettehumane.org, or call (503) 585-5900, ext. 308.

The above businesses have paid a fee to appear here. WHS does not endorse any listed vendor or guarantee any product or service. Ask for references as appropriate.

What Will Your Legacy Be?

Mary Brillhart and Willamette Humane Society have a shared vision: a good home for every adoptable animal. Mary contributes to that vision with her volunteer hours and her financial support. “Mary’s dedication for the past 12 years translates to quality and personalized cat care for thousands of animals,” says Jamie Fitzpatrick, Shelter Operations Director. As a member of our President’s Club for her lifetime financial support, she doubles her commitment to the homeless animals.

Mary knows she makes a difference NOW and she knows she will make a difference in the future by leaving a legacy from her estate. Why? She says, “I’ve always had at least one animal in my life. They give me so much joy, I just want to return the gift.”

You can leave a legacy, too. Contact Susan Carey to **join the Legacy Society today** (503) 585-5900 ext. 305 or susan.carey@willamettehumane.org. Maybe you’ve already included Willamette Humane in your estate plans? If so, please inform us so we can officially welcome you into the Legacy Society.

Attended an Intro to Training Seminar	322

ANIMALS & PEOPLE SERVED IN 2010-11

35,106

Willamette Humane is a local, independent nonprofit organization that depends on community donations to serve the pets and people of Marion and Polk Counties. Thanks to the generosity of our donors, we assisted approximately one in five households in the Salem/Keizer area last year through sheltering, adoption, spay/neuter services, canine training, humane education and other services. We are proud to be a vital component of this community, providing critical and unduplicated services to the animals and people who love their pets.

2010-2011 Program Accomplishments

Sheltering & Medical Care

We took in **7,841** dogs, cats and other animals last year. Euthanasia and/or cremation services were requested for **1,240** of those animals. The remaining **6,601** stray or surrendered pets received an initial health and behavior evaluation that included vaccinations, flea prevention, and de-worming. Animals in the adoption pool also received expanded health care, special diets or behavior modification depending on need.

Adoptions & Saving Lives

At Willamette Humane Society, we work to save as many lives as possible. We do not impose artificial time limits on adoptable pets. As long as an animal stays healthy and temperamentally sound, he or she will remain in our adoption program. In 2010-11, we saved a total of **3,247** animals – animals like Brennan, who arrived at our shelter malnourished and underweight. Thanks to the care she received from a volunteer foster family, she returned to the shelter healthy, strong and ready to find a new home. The day after she became available, she was adopted into a loving home.

In 2010-11, we facilitated:

- **2,373** adoptions
- **767** transfers to partner rescue groups
- **107** reunions with lost pets and their owners

Brennan

Humane Education

Our classroom education program promoting the humane treatment of animals, proper pet care, and safety around animals reached **10,349** students last year.

In addition:

- **1,711** students attended shelter tours
- **180** youth took part in our Camp Paw Paw or Junior Animal Trainers' day camps
- **36** birthday children brought their friends and family to celebrate at the shelter

Behavior & Training

We redesigned our canine training curriculum last year and expanded both basic and advanced classes. Staff and volunteers also worked one-on-one with many shelter animals, utilizing the principles outlined in Open Paw® - a socialization and training program designed to enhance pets' adoptability. Junior, a young Retriever mix, got a second chance thanks to the staff and volunteers who spent many hours helping him build confidence and gain new skills. His adopters describe him as "the greatest dog... who fits right in with our family."

In 2010-11, we:

- Trained **338** dogs in classes
- Answered **291** inquiries through our free Behavior Helpline
- Held private consultations with **36** pet owners
- Welcomed **322** households to our free *Intro to Training Seminar*

Volunteers

Volunteers are critical in helping WHS meet the needs of both pets and people in our community. They provided care, rehabilitation and socialization for the animals, staffed events, assisted with groundskeeping duties, offered administrative support, and helped operate our retail and thrift store locations.

- **789** volunteers gave **52,132** hours last year.
- Their work provided the services and support equal to **25** full-time staff members

Program Accomplishments continued

Spay/Neuter Assistance & Veterinary Care

The Willamette Humane Society Spay & Neuter Clinic is dedicated to ending shelter overpopulation by providing low-cost, high-quality sterilization services for our community's cats and dogs. In 2010-11, the Clinic performed **5,108** surgeries.

We provided additional veterinary care such as dental cleanings, amputations, and other surgeries to enhance the adoptability of many shelter pets including Zing, pictured here. Zing underwent surgery to remove some benign masses, received twice daily treatment for an ear infection and medicated baths to heal a skin condition. Today, she enjoys a happy, healthy life with her new family.

Zing

WHS would also like to thank the following veterinarians for their ongoing generosity in providing services to shelter pets:

Dr. Julie DeMarco, Whole Pet Veterinary Care
Dr. Kim Erbes, Salem Veterinary Emergency Clinic
Dr. Richard Hillmer, Oak Hills Veterinary Clinic & Salem Cat Clinic
Dr. Jerry Schwartz, Animal Care Center
Dr. Maegan Weekly, Willamette Valley Animal Hospital
Dr. Darci Murphy

Food Assistance

We provided emergency food assistance to help struggling community members feed their pets and keep them in their homes. Last year, we distributed **24,464** pounds of pet food which helped feed **2,556** cats and **1,688** dogs.

Awareness & Outreach

In addition to raising critical funds, the Community Relations & Development team works to bring the mission of Willamette Humane to the public through outreach events and the media. We reached approximately 20% of the households in Marion & Polk Counties last year through our vital services and programs.

In addition, we:

- Attended **13** outreach events
- Generated **228** newspaper, magazine & online print media placements
- Grew our Facebook fan base to **1,216** fans (a 63% increase over the previous year)

Humane Legacy Society

Those who have chosen to remember us in their wills or other long-term financial plans are members of our Humane Legacy Society. WHS deeply appreciates the following gifts received in 2010-11 from these visionaries. If you are interested in learning more about charitable giving options, visit www.willamettehumane.org/donate, or call the development department at (503) 585-5900, ext. 305.

Independent Charities Seal of Excellence

WHS is proud to receive the Independent Charities Seal of Excellence. The Seal is awarded to members of Independent Charities of America and Local Independent Charities of America that

have, upon rigorous review, been able to certify, document and demonstrate that they meet the highest standards of public accountability, program effectiveness and cost effectiveness.
